Introduction

Mission Statement

Housing is the foundation for success, so we collaborate with individuals, communities and partners to create, preserve and finance affordable housing.

Background

The Minnesota Housing Finance Agency (“Minnesota Housing”) was created in 1971 by the Minnesota Legislature.

Minnesota Housing offers two mortgage loan programs to serve low- and moderate-income homebuyers:

- The Start Up Program for first-time homebuyers, a first mortgage loan program with access to downpayment and closing cost loans.
- The Step Up Program for home purchase or refinance, with access to a downpayment and closing cost loan. Refer to the Step Up Program Procedural Manual for Step Up Program requirements.

Lenders originate and close loans under their individual underwriting and closing procedures. A Master Servicer purchases and securitizes closed loans originated by a Lender under prescribed program requirements. Lenders are advised that underlying eligible product guidelines and Master Servicer requirements apply, which may be more restrictive than the Minnesota Housing guidelines. Minnesota Housing’s current Master Servicer is U.S. Bank Home Mortgage Housing Finance Agency Division (U.S. Bank – HFA Division).

Minnesota Housing offers the Monthly Payment Loan and Deferred Payment Loan (including Deferred Payment Loan Plus) for Start Up Program Borrowers who need funds for downpayment and closing costs.

Procedural Manual

This Procedural Manual sets forth the terms and conditions under which U.S. Bank – HFA Division will purchase mortgages under Minnesota Housing’s Start Up Program, including downpayment and closing cost loans.

Mortgage Revenue Bond Programs

The Start Up Program offers low-interest loans throughout Minnesota to low- and moderate-income, First-Time Homebuyer Borrowers through local participating Lenders.

Downpayment and Closing Cost Loans

Deferred Payment Loan Program (see Chapter 7). The Deferred Payment Loans provide an interest-free deferred loan to assist Borrowers with downpayment and closing costs.

Monthly Payment Loan (see Chapter 7). The Monthly Payment Loan provides an amortizing loan with an interest rate equal to the first mortgage to assist Borrowers with downpayment and closing costs.

The Master Servicer

U.S. Bank Home Mortgage Housing Finance Agency Division (U.S. Bank – HFA Division), is the Master Servicer for Minnesota Housing and as such purchases Start Up Program Loans and issues mortgage-backed securities for the Agency. In order to be eligible for purchase, loans must meet the guidelines set forth in this Procedural Manual and all requirements published by U.S. Bank – HFA Division in [AllRegs](#).

Chapter 1 – Responsible Lending

1.01 Procedural Manual

This Procedural Manual, including subsequent changes and additions, is a supplement to the Participation Agreement for Minnesota Housing Single Family Mortgage Programs, as amended or supplemented (referred to as the Participation Agreement) for Minnesota Housing mortgage programs executed between the Lender and Minnesota Housing. It is incorporated into the Participation Agreement by reference and is a part of it as fully as if in the Participation Agreement at length.

Minnesota Housing reserves the right to:

- Change the program interest rate(s) at any time and at its sole discretion
- Change the Commitment Policy at any time
- Alter or waive any of the requirements
- Impose other or additional requirements
- Rescind or amend any or all materials effective as of the date of issue unless otherwise stated
- Grant waivers, alterations, or make revisions at its sole discretion

1.02 Single Family Responsible Lending Policy

Minnesota Housing uses prudent, sound and responsible business practices in marketing and product design related to its Single Family loan programs. Minnesota Housing designs programs with a focus and goal of successful homeownership, which means Borrowers, have the knowledge, ability, willingness and capacity to repay their housing debt. Minnesota Housing does not offer subprime mortgage lending programs. Minnesota Housing reviews portfolio and market conditions regularly to ensure that business practices are updated as needed to meet responsible lending goals.

In delivering Single Family loan programs, Minnesota Housing policies address:

- Lender relationships and their role and responsibility in originating and delivering quality, compliant loans under the Minnesota Housing program
 - Lenders must evaluate a Borrower's repayment capacity, including evaluating risk layering and documenting sources of income, assets and liabilities
 - Lenders are prohibited from steering
 - Lenders must comply with all high cost and higher priced home loan rules and regulations
 - Loans may not contain prepayment penalties
 - Mandatory arbitration clauses are not permitted
 - Single Premium Credit Life Insurance may not be required nor can any funds provided by Minnesota Housing be used toward the purchase of any credit insurance products or premiums
- Compliance with the Interagency Guidelines on Nontraditional Mortgage Product Risks
- Compliance with all local, state and federal regulations as well as Minnesota Housing program guidelines as applicable to each individual loan transaction

1.03 Evidence of Misconduct Referred to Attorney General

- Minnesota Housing will refer any evidence of fraud, misrepresentation, or other misconduct in connection with the operation of these programs to the Minnesota Attorney General's office for appropriate legal action. If, after a loan is made, the Lender discovers any material misstatements or misuse of the proceeds of the loan by the Borrower(s) or others, the Lender must promptly report the discovery to Minnesota Housing and U.S. Bank – HFA Division.
- Minnesota Housing, or U.S. Bank – HFA Division, or both, may exercise all remedies available to them under the Participation Agreement or otherwise, both legal and equitable, to recover funds from the Lender or the Borrower(s). This includes repayment of loan funds, together with all applicable administrative costs and other fees or commissions received by the Lender in connection with the loan and reimbursement of all attorney fees, legal expenses, court costs, or other expenses incurred by Minnesota Housing in connection with the loan or its recovery.

1.04 Disclosure and Use of Social Security Number/Minnesota Tax Identification Number

The Minnesota Revenue Recapture Act (Minnesota Statutes, Sections 270A.01 to 270A.12, as amended) allows the disclosure of the Borrower(s) Social Security Number to the Minnesota Department of Revenue. This could result in the application of state tax refunds to the payment of any delinquent indebtedness of the Borrower(s) to Minnesota Housing.

1.05 Unauthorized Compensation

The Lender may receive fees approved in this Procedural Manual. However, the Lender may not receive or demand from the realtor, builder, Property Seller, or Borrower(s):

- Kickbacks
- Commissions
- Other compensation

1.06 Minnesota Housing Due Diligence Audit Guidelines and Requirements

The Lender is required to keep on file a complete copy of documents for each loan originated for purchase by U.S. Bank – HFA Division. A loan file may be requested to be forwarded to Minnesota Housing for review. Loan audits will include, but are not limited to, a minimum of 10% of all loans purchased by U.S. Bank – HFA Division.

Audited loans are reviewed for:

- Mortgage revenue bond law compliance
- Minnesota Housing program and policy compliance
- Fraud or misrepresentation on the part of any party involved in the transaction
- Trends or other indicators that may have an impact on the success of the Borrower(s) and programs

1.07 Termination of Lender Participation

Minnesota Housing may terminate the participation of any Lender under the programs at any time and may preclude the Lender's future eligibility for reasons including, but not limited to, nonconformance with:

- This Procedural Manual
- The Participation Agreement
- The U.S. Bank – HFA Division Lender Guide
- Applicable state and federal laws, rules, and regulations

Upon termination of a Lender's Participation Agreement:

- U.S. Bank – HFA Division will continue to purchase eligible loans delivered to U.S. Bank—HFA Division prior to the termination
- Minnesota Housing will not refund participation fees to the Lender.
- Minnesota Housing may, at its option, impose remedies other than termination of the contract for Lender nonperformance.
- The Lender may request reinstatement into Minnesota Housing programs. The decision to reinstate a Lender is at Minnesota Housing's and U.S. Bank – HFA Division's sole discretion.

1.08 Representations and Warrants

1.11 Marketing Materials Terms of Use

Lenders must follow Minnesota Housing's [Terms of Use](#) for marketing materials and the Participation Agreement requirements for marketing and use of Minnesota Housing's name or logo.

Chapter 2 – Fraud, Misuse of Funds, Conflict of Interest, Suspension, and Disclosure and Reporting

2.01 Fraud

Fraud is any intentionally deceptive action made for personal gain or to damage another.

Any person or entity (including its employees and affiliates) that enters into an agreement with Minnesota Housing and witnesses, discovers evidence of, receives a report from another source, or has other reasonable basis to suspect that fraud or embezzlement has occurred must immediately make a report through one of the ways described in section 2.05.

2.02 Misuse of Funds

A loan or grant agreement is a legal contract. The borrower or grantee promises to use the funds to engage in certain activities or procure certain goods or services while Minnesota Housing agrees to provide funds to the borrower or grantee to pay for those activities, goods or services. Regardless of the Minnesota Housing program or funding source, the borrower or grantee must use Minnesota Housing funds as agreed and the borrower or grantee must maintain appropriate documentation to prove that funds were used for the intended purpose(s).

A misuse of funds shall be deemed to have occurred when: (1) Minnesota Housing funds are not used as agreed by a borrower or grantee; or (2) A borrower or grantee cannot provide adequate documentation to establish that Minnesota Housing funds were used in accordance with the terms and conditions of the loan or grant agreement.

Any borrower or grantee (including its employees and affiliates) of Minnesota Housing funds that discovers evidence, receives a report from another source, or has other reasonable basis to suspect that a misuse of funds has occurred must immediately make a report through one of the ways described in section 2.05.

Borrowers and grantees referred to in this section are the Minnesota Housing contracting party. If applicable, third party recipients of funds, such as homebuyers, are bound by terms as detailed in the loan documents.

2.03 Conflict of Interest

A conflict of interest, actual, potential, or perceived, occurs when a person has an actual or apparent duty or loyalty to more than one organization and the competing duties or loyalties may result in actions which are adverse to one or both parties. A potential or perceived conflict of interest exists even if no unethical, improper or illegal act results from it.

An individual conflict of interest is any situation in which one's judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to a friend, relative, acquaintance or business or organization with which they are involved.

Organizational conflicts of interest occur when:

- A contracting party is unable or potentially unable to render impartial assistance or advice to Minnesota Housing due to competing duties or loyalties
- A contracting party's objectivity in carrying out their responsibilities is or might be otherwise impaired due to competing duties or loyalties
- A contracting party has an unfair competitive advantage through being furnished unauthorized proprietary information or source selection information that is not available to all competitors

Once made aware of a conflict of interest, Minnesota Housing will make a determination before disbursing any further funds or processing an award. Determinations could include:

- Revising the contracting party's responsibilities to mitigate the conflict
- Allowing the contracting party to create firewalls that mitigate the conflict
- Asking the contracting party to submit an organizational conflict of interest mitigation plan
- Terminating the contracting party's participation

Any person or entity (including its employees and affiliates) that enters into an agreement with Minnesota Housing must avoid and immediately disclose to Minnesota Housing any and all actual, perceived, or potential conflicts of interest through one of the ways described in section 2.05.

A contracting party should review its contract agreement and Request for Proposals (RFP) material, if applicable, for further requirements.

2.04 Suspension

By entering into any agreement with Minnesota Housing, a contracting party represents that the contracting party (including its employees or affiliates that will have direct control over the subject of the agreement) has not been suspended from doing business with Minnesota Housing. Please refer to Minnesota Housing's website for a list of [suspended individuals and organizations](#).

2.05 Disclosure and Reporting

Activities required to be reported under this chapter may be made in any of the following ways:

- Minnesota Housing's Chief Risk Officer
- Any member of Minnesota Housing's [Senior Leadership Team](#)
- [Report Wrongdoing or Concerns \(mnhousing.gov\)](#)

Chapter 3 – Master Servicer Requirements

Minnesota Housing’s Master Servicer, U.S. Bank – HFA Division, has requirements in addition to Minnesota Housing’s program requirements and underlying product guidelines. U.S. Bank – Division’s requirements may be more restrictive and may vary by Housing Finance Agency.

Lenders should review and comply with all applicable U.S. Bank – HFA Division requirements, including Minnesota Housing specific requirements, in [AllRegs](#). U.S. Bank – HFA Division has an Overlay Matrix resource on [AllRegs](#) highlighting common overlays (not comprehensive). In addition to U.S. Bank – HFA Division’s overlays, Lenders must follow U.S. Bank – HFA Division’s loan delivery, documentation, servicing, fees policies and all other due diligence.

Chapter 4 - Borrower Eligibility

4.01 Borrower

One individual or multiple individuals are eligible to be a Borrower only if the individual(s) meet the requirements of this Procedural Manual.

4.02 Borrower Age

The Borrower(s) must be 18 years of age or older or be declared emancipated by a court having jurisdiction.

4.03 Co-Signers

Co-signers are permitted on Start Up Program loans. Co-signers sign the Start Up Program loan note and the downpayment and closing cost loan note, if applicable. Co-signers are not vested in title to the property and may, or may not, reside in the subject property. See Section 4.09.

4.04 Unauthorized Compensation

The Borrower(s) may not receive kickbacks, rebates, discounts, or compensation from any subcontractor, realtor, or Property Seller.

4.05 Prior Homeownership - Three-Year Requirement

The Borrower(s) may not have had an ownership interest in their Principal Residence at any time during the three- year period preceding execution of the mortgage loan documents (loan closing). This requirement applies to any person who will execute the note and will have an ownership interest in the financed property.

- A fee simple interest
- A joint tenancy, a tenancy in common, or a tenancy by the entirety
- The interest of a tenant shareholder in a cooperative
- A life estate
- A leasehold estate or a leasehold estate subject to a Community Land Trust
- A land contract, under which possession, benefits, and burdens of ownership are transferred although legal title is not transferred until a later time
- An interest held in trust for the Borrower(s) (whether or not created by the Borrower(s)) that would constitute a present ownership interest if held directly by the Borrower(s)
- A vendee interest in a contract for deed with a term greater than 24 months
- An ownership interest in a mobile home that is permanently affixed to a foundation and is taxed as real estate

Interests that do not constitute an ownership interest include:

- An ownership interest in a mobile home which is not permanently attached to the land and is taxed as Personal Property
- An interest acquired through temporary financing (e.g. construction loan, bridge loan, contract for deed) with an initial term of 24 months or less

Review of documentation:

- The Lender should examine the following documentation for any evidence that the Borrower(s) have owned a Principal Residence during the past three years:
 - Credit report (must not show any mortgage loan(s) in the last three years, or if it does, follow the guidance on “Special Documentation for Current Ownership” below)
 - Final loan application (must not show an ownership interest in a Principal Residence in the last three years and must show a two year residence history indicating no ownership interest in the Borrower(s) residence(s))
- If the Lender cannot verify the absence of ownership from a review of the credit report, final loan application or other evidence, the absence of an ownership interest must be documented and verified by:
 - a title search with respect to the Borrower(s) residence(s) to provide reasonable assurance that there was no actual ownership by the Borrower(s); and
 - a signed, written explanation from any Borrower(s) that the Borrower(s) has not had an ownership interest in a Principal Residence within the past three years.
- Special Documentation for Current Ownership - A Borrower(s) with a current ownership interest in a residence within the most recent three year period must be able to provide evidence (e.g. copy of rental agreement or lease) showing that they have not lived in the residence during the most recent three year period.

4.06 Principal Residence/Occupancy Requirement

The Borrower(s) must intend to occupy the financed dwelling as a Principal Residence within 60 days after the closing of the loan. A certification of the owner occupancy is to be made by the Borrower(s) in the [Borrower Affidavit](#).

4.07 Homebuyer Education

If all borrowers are first-time homebuyers, at least one borrower must complete an approved homebuyer education course prior to closing. A copy of the certificate of completion must be in the loan file. Minnesota Housing does not have a homebuyer education certificate expiration date policy. [Approved Homebuyer Education](#) courses are listed on our website.

4.08 Credit Scores and Debt-to-Income (DTI) Ratios

The Start Up Program Loan credit score and debt-to-income (DTI) requirements vary based on underlying loan products. Refer to Minnesota Housing’s [Credit and DTI Matrix](#) for credit score and DTI requirements by product types.

Refer to the following product descriptions on Minnesota Housing’s website for additional conventional product requirements:

- [Fannie Mae Product Description](#)
- [Freddie Mac HFA Advantage®](#)

Minnesota Housing offers these product descriptions and the following chart as resources for Lenders. The Lenders are advised to fulfill their due diligence in adhering to all underlying product and U.S. Bank – HFA Division requirements, and not solely rely on the tools provided in this Procedural Manual.

See [AllRegs](#) for additional, specific U.S. Bank – HFA Division requirements.

The financing of a property may include only land necessary to maintain the “basic livability” of the dwelling.

- The financed land may not provide other than incidental income to the Borrower(s).
- The land may not comprise more than one parcel or be eligible for legal subdivision unless the appraiser states that the land is commensurate in size with other residential parcels in the community.
- If the land value exceeds 45% of the total appraised value the appraiser must address whether the size of the lot is common or typical for the area.

5.07 New Construction Requirements

In addition to the property eligibility requirements stated in Section 5.01 of this Procedural Manual, a New Construction property must meet the following requirements:

- The land must be zoned for residential housing.
- The cost of land purchased within 24 months before the date on which construction begins must be included in the Acquisition Cost.
- The value of land, as determined by the appraiser, must be used to determine the Acquisition Cost if the land was purchased more than 24 months before the date on which construction begins or through a non-arm's length transaction.
- Any temporary financing (e.g. construction loan, bridge loan, contract for deed) provided before the date of the loan closing may not exceed a 24 month term.
- The land equity (the dollar value of the difference between land value/cost and the total amount the Borrower owes against the land) may be used by a Borrower only as a downpayment.
- A Certificate of Occupancy must be issued for the property before loan closing.
- The Borrower(s) may not act as the general contractor.

See Section 6.02 for New Construction financing requirements.

Chapter 6 – Loan Eligibility

6.01 Eligible Loans

U.S. Bank – HFA Division purchases closed loans from the Lender under contract in Minnesota Housing mortgage loan programs. The Lender must warrant that the following criteria are met for each loan submitted for purchase.

Eligible loan products include:

- Federal Housing Administration (FHA) purchase transactions
- FHA 203(k) Streamlined Purchase
- Veterans Administration (VA)
- Rural Development (RD)
- [Fannie Mae HFA Preferred](#)™ (Conventional)
- [Freddie Mac HFA Advantage](#)® (Conventional)

Lenders are advised to refer to the conventional product descriptions on the Minnesota Housing website for product requirements.

Program loans must satisfy the following criteria:

- All local, state, and federal laws and regulations including those relating to affirmative action, fair housing, equal opportunity, truth-in-lending, and wrongful discrimination in residential housing are met.
- The Minnesota Housing First-Time Homebuyer, program income, and property acquisition requirements are met.
- The loan must be originated and closed in, or assigned to, the name of the Lender that is a party to the Participation Agreement and that locked the loan (s) on the Minnesota Housing loan commitment system.

6.02 New Construction Requirements

In addition to the loan eligibility requirements already stated in this Procedural Manual (Section 6.01), a New Construction property must meet the following requirements:

- The program funds are not used for temporary initial financing (e.g. interim or construction financing).
- All sweat equity meets the requirements of the applicable loan product and insurer/guarantor, as well as the following:
 - The work was done by the Borrower or members of a Borrower's family, specifically, the Borrower's brothers and sisters (whether by whole or half-blood), spouse, or lineal descendants
 - The individuals that did the work must be qualified to do the specific type of work
 - The maximum dollar amount of the sweat equity does not exceed \$5,000
 - The sweat equity is not a part of the Acquisition Cost
 - The sweat equity includes only the value of work and not the cost of materials

6.03 Ineligible Loans

A Start Up Program loan cannot be used to acquire or refinance an existing mortgage loan. Certain existing Start Up Program Mortgage loans may be assumed, as described in section 10.03 Assumption/Due-On-Sale.

6.04 Refinancing of an Existing Mortgage

Borrowers may not use the Start Up Program to refinance an existing loan unless the Start Up Program loan replaces or refinances temporary initial financing.

6.05 Subsidy Recapture Disclosure

Federal law requires that all loans funded by mortgage revenue bonds be subject to subsidy recapture regulations. Subsidy recapture enables the federal government to collect some of the subsidy realized by Borrower(s) from the interest rate differential resulting from the mortgage revenue bond financing.

The recapture tax is payable through the Borrower's Federal Income Tax Returns for the year the Borrower sells or transfers an eligible residence. The recapture tax provisions of the Code apply to all Borrowers. The recapture may apply if all three of the following conditions occur at once:

- The residence is sold within the first nine years of the closing date
- The Borrower realizes a gain on the sale of the residence (as defined by the IRS)
- The Borrower's income has increased since the closing date and exceeds the limits established by the IRS

To ensure understanding and disclosure of subsidy recapture, the Lender must:

- Explain subsidy recapture to the Borrower(s) at the time of loan application (see the [Start Up Disclosure Summary](#))

Require the Borrower(s) to sign the completed Subsidy Recapture Disclosure Statement

- At closing or as close to closing as possible

6.06 Interest Rate/Amortization Requirements

Minnesota Housing requires all loans:

- Have a fixed interest rate
- Are fully amortized over the term of the loan
- Are payable on the first of each month in level installments that include at least principal and interest

Interest rates for Minnesota Housing loan programs are listed [here](#).

6.07 Mortgage Term

All loans must have a 15-year or 30-year term.

6.08 Private Mortgage Insurance Coverage

All loans requiring private mortgage insurance must have coverage at the levels prescribed by the underlying mortgage product guidelines.

6.09 Private Mortgage Insurance Companies – Minimum Requirements

All private mortgage insurance companies must:

- Be licensed to do business in the State of Minnesota
- Maintain a rating of A2 from Moody's Investor Services and AA from Standard and Poor's Corporation at the time the mortgage loan is purchased by U.S. Bank – HFA Division, or have Fannie Mae and Freddie Mac approval

6.10 Settlement/Closing Costs

The settlement and closing costs, fees, or charges the Lender collects from any party in connection with any loan must:

- Comply with Minnesota law
- Meet all requirements of the insurer/guarantor
- Not exceed an amount deemed usual or reasonable for the type of transaction (e.g. FHA, VA, Conventional)
- Not exceed the actual amounts expended for any item (e.g. credit report, appraisal)
- Ensure the Borrower does not pay more than a pro-rata share of property taxes

6.11 Gifts

All gifts received by the Borrower(s) for a Minnesota Housing loan must satisfy the requirements of the applicable first mortgage loan product and the insurer/guarantor.

6.12 Non-Minnesota Housing Secondary Financing

Secondary financing offered by a city or county government, a non-profit, or a for-profit, including downpayment and closing cost assistance, community seconds (including resale restrictions), or other forms of secondary financing used in conjunction with a Minnesota Housing loan, must comply with the following:

- Meet all requirements of the applicable first mortgage loan product and insurer/guarantor (i.e., FHA Secondary Financing, Fannie Mae Subordinate Financing, Freddie Mac Affordable Seconds)
- The Borrower may receive cash back at closing from secondary financing proceeds only when the cash back is a refund of the Borrower's own investment, as allowed by the first mortgage product.
- The secondary financing does not reduce the Acquisition Cost
- Minnesota Housing requires full disclosure of any and all secondary financing

For transactions using Minnesota Housing's Monthly Payment Loan:

- The Monthly Payment Loan mortgage must be in a second lien position

6.13 Non-Complying Loans

Minnesota Housing or U.S. Bank – HFA Division may have the right to take one or more of the following actions in the event the Lender submits a mortgage loan that does not, as determined by Minnesota Housing or U.S. Bank – HFA Division, comply with the requirements of this Procedural Manual:

- Adjust the purchase price of the non-complying loan
- If not already purchased, refuse to purchase the loan
- If already purchased, require the Lender to repurchase the loan for the purchase price
- Terminate, suspend, or otherwise limit the Lender's Participation Agreement with Minnesota Housing or U.S. Bank – HFA Division
- Preclude the Lender from future participation in Minnesota Housing programs

Chapter 7 – Downpayment and Closing Cost Loans

The downpayment and closing cost loan programs available with the Start Up Program are the Deferred Payment Loan (including the Deferred Payment Loan Plus option) and the Monthly Payment Loan. (See the [Downpayment and Closing Cost Loan Comparison Chart](#)). These loans provide funds to pay for eligible expenses including downpayment and customary buyer closing costs.

Homebuyer Education. Qualified Homebuyer Education is required for at least one of the Borrowers who receive a Deferred Payment Loan or Monthly Payment Loan. See Section 4.07 for more details.

Cash Investment. A minimum cash investment of the lesser of 1% of the purchase price or \$1,000, including prepaids, is required. The cash investment must come from the Borrower's assets and may not be a gift, grant, loan, or sweat equity contribution.

7.01 Deferred Payment Loan Program

- The Deferred Payment Loan program is available to Lenders who participate in the Start Up Program. The two Deferred Payment loan options available are:
 - Deferred Payment Loan
 - Deferred Payment Loan Plus

The Deferred Payment Loan Program provides funds to pay for eligible expenses including downpayment and closing costs. It may also be used for additional downpayment beyond the minimum downpayment requirement dictated by the loan product. The Deferred Payment Loan and the Deferred Payment Loan Plus:

- Are available only in conjunction with a first mortgage loan purchased by U.S. Bank – HFA Division under the Start Up Program
- May be combined only with the Start Up Program with a 30-year term
- Are a junior lien
- Must be paid in full when, among other things:
 - The maturity date of the Deferred Payment Loan is reached
 - The property is sold or transferred
 - The first mortgage is paid in full, upon a refinancing or otherwise
 - The first mortgage is in default or is declared to be due and payable in full
- Cannot be assumed

The Deferred Payment Loan:

- Is available in whole dollar amounts up to \$16,500

The Deferred Payment Loan Plus:

- Is available in whole dollar amounts up to \$18,000

7.02 Deferred Payment Loan Program Borrower Eligibility

The Borrower's maximum income to be eligible for the Deferred Payment Loan Program is indexed to area median income (AMI) and tiered by household size (see the Deferred Payment Loan Program [Income Limits](#)).

If using the **Deferred Payment Loan Plus** option, eligible Borrowers must meet the Borrower Eligibility requirements in Chapter 4 and demonstrate two of the following conditions:

- A front end ratio of 28% or higher (calculated without DPA)¹
- A household of four or more people
- A Household Member with a Disability
- Sole Head of Household with at Least One Eligible Dependent residing in the household (Limitation: The household must include only one adult that is not an Eligible Dependent.)

An Eligible Dependent is:

- A minor household member (under 18 years of age on the closing date);
- A Household Member with a Disability; or
- A senior (age 62 or older on the closing date).

Asset Limit. A Borrower's liquid assets after closing are limited to the greater of eight months principal, interest, taxes, insurance, and association fee (PITIA) or \$12,000.

Cash to the Borrower at Closing. The Borrower may receive cash back at closing only when all of the following criteria apply:

- The cash to the Borrower at closing is a refund of dollars paid outside of closing and is reflected on the Closing Disclosure
- The cash to the Borrower at closing does not compromise the Borrower's minimum cash investment requirement
- The underlying first mortgage product and the insurer/guarantor allow the refund

¹ Minnesota Housing realizes an estimate of front-end ratio may change in underwriting. As long as the Lender makes a good faith effort to identify costs at the point of origination, we allow reasonable changes to front-end ratio if the ratio documented on this worksheet is different than the final ratio calculated during underwriting. The Lender must provide an explanation if the variance between ratios is large or the Borrower's eligibility is a concern.

7.03 Deferred Payment Loan Program Lender Warranties

In addition to the warranties stated in Section 1.08, the Lender warrants the following:

- The Borrower's cash investment is paid from the Borrower's out of pocket funds
- The Borrower's liquid asset reserves after closing are not more than the greater of eight months PITIA or \$12,000
- The Deferred Payment Loan Program monies received by the Borrower(s) are applied to the transaction and verified through the Closing Disclosure

7.04 Monthly Payment Loan Program

The Monthly Payment Loan provides funds to pay for eligible expenses, including downpayment and customary buyer closing costs. Monthly Payment Loans:

- Are available only in conjunction with a Minnesota Housing first mortgage loan
- Are available in whole dollar amounts up to \$18,000
- Must occupy a second mortgage lien position when combined with a non-Minnesota Housing Community Second Mortgage
- Have an interest rate equal to that of the first mortgage
- Are fully amortizing and are payable in level monthly payments over a 10-year term
- Are due on the first of each month, beginning with the due date of the initial monthly payment for the first mortgage
- Must be paid in full upon:
 - Sale or refinance of the property
 - Transfer of title to the property
 - Payment in full of the first mortgage at maturity
- The first mortgage is declared due and payable whether through default or other event
- May not be assumed

7.05 Monthly Payment Loan Borrower Eligibility

The Borrower must satisfy all Start Up Program eligibility requirements as well as the following additional requirements for the Monthly Payment Loan.

Income Limits. All Start Up Program borrowers may access the Monthly Payment Loan. Monthly Payment Loans have no separate income limit.

Asset Limit. Monthly Payment Loans have no asset limit.

Cash to the Borrower at Closing. The Borrower may receive cash back at closing only when all of the following criteria apply:

- The cash to the Borrower at closing is a refund of dollars paid outside of closing and is reflected on the Closing Disclosure
- The cash to the Borrower at closing does not compromise the Borrower's minimum cash investment requirement
- The underlying first mortgage product and the insurer/guarantor allow the refund

7.06 Monthly Payment Loan Lender Warranties

In addition to the warranties stated in Section 1.08, the Lender warrants the following:

- The Borrower's cash investment is paid from Borrower's own funds
- The funds received by the Borrower(s) are applied to the transaction and verified through the Closing Disclosure

7.07 Housing Choice Voucher (HCV) Homeownership Program

The HCV Homeownership Program allows HUD Section 8 recipients to use their voucher subsidy to meet monthly homeownership expenses. Lenders originating HCV Homeownership loans must:

- Complete the U.S. Bank –HFA Division, Section 8 Homeownership Subsidy Program Agreement and Home Choice/Section 8 Contract Information Form
- Service the loans before purchase by U.S. Bank – HFA Division in compliance with this Procedural Manual. This involves collecting a portion of the monthly payment from the Borrower(s) and a portion of the monthly payment from the public housing authority.

7.08 Second Mortgage Application and Loan Disclosure Procedures

The Lender must follow mortgage industry standard requirements for second mortgages when originating loans under the Deferred Payment Loan and Monthly Payment Loan programs.

The Lender should consult with its compliance department or legal counsel for additional information and guidance in completing required disclosures. The Lender should be aware that the Deferred Payment Loan is structured to require a balloon payment in accordance with the terms of the Minnesota Housing Finance Agency Deferred Payment Loan Note.

7.09 Subordination Policy

Minnesota Housing permits the subordination or replacement of Deferred Payment Loan (DPL) or a Monthly Payment Loan (MPL) only in cases where the Minnesota Housing first mortgage is refinanced to a Step Up Loan. The Borrower is not eligible for more than one Minnesota Housing downpayment and closing cost loan. For more details see the Minnesota Housing [Subordination Policy](#).

Chapter 8 – Commitment/Disbursement

See Minnesota Housing’s website for:

- The [Lock, Fee, and SRP Guide](#)
- The [Loan Commitment System Page](#)

Chapter 9 – Documentation Requirements

9.01 Loan Processing and Closing

All loans submitted to Minnesota Housing for approval must meet the following requirements:

- Loans must be closed and disbursed before completing the True and Certify process in the Minnesota Housing loan commitment system.
- The Lender must follow all mortgage industry regulatory and compliance provisions throughout the processing of the loan. All loan documents other than Minnesota Housing Forms must be industry standard and meet the requirements of U.S. Bank – HFA Division, the underlying loan product, and the insurer/guarantor, as applicable. (See the Minnesota Housing website for more details on required forms.)
- All loan documents must be complete, accurate, and reviewed by the Lender at the various and appropriate stages of the loan.
- For loans underwritten utilizing industry standard automated underwriting systems, Minnesota Housing requires full documentation when verifying income and assets to confirm Minnesota Housing eligibility.
- Minnesota Housing forms may not be altered in any way. Industry standard forms may not be altered in any way other than to add a company name and logo. The first mortgage loan and the second mortgage loan (if applicable) must be originated and closed in, or assigned to, the name of the Lender that is a party to the Participation Agreement and that locked the loan (s) on the Minnesota Housing loan commitment system.
- All first mortgage assignments must run directly from the Lender to U.S. Bank – HFA Division.
- All second mortgage assignments must run directly from the Lender to the Minnesota Housing Finance Agency.
- The Lender must submit final documents to U.S. Bank – HFA Division within 120 days of U.S. Bank – HFA Division's loan purchase.
- Product specific requirements must be met. For Conventional HFA product requirements – refer to the [Fannie Mae Product Description](#) and [Freddie Mac Product Description](#) on [Minnesota Housing's website](#).

9.02 Minnesota Housing Documentation/Delivery Requirements

U.S. Bank – HFA Division provides the Delivery Checklist form detailing specific documentation and delivery requirements. The Lender must fully execute and deliver documents within designated timeframes. In addition, the Lender must specifically warrant the following:

- The Lender has reviewed any and all contracts in connection with the residence sale transaction to ensure total compliance with this Procedural Manual.
- The Lender has obtained, and reviewed, applicable documentation to determine compliance with the certifications on the [Borrower Affidavit](#) as it pertains to the mortgage revenue bond First-Time Homebuyer requirements and other program requirements.

- The Borrower Affidavit is signed, and duly notarized, by each Borrower who signs the note and intends to reside in the property as their Principal Residence.
- The [Subsidy Recapture Disclosure Statement and Tennessee Warning](#) is complete and signed by each Borrower

- Documentation not delivered to U.S. Bank – HFA Division within the specified time frames may result, at Minnesota Housing’s or U.S. Bank – HFA Division’s discretion, in the Lender repurchasing the loan, or any other remedy as identified in this Procedural Manual. Minnesota Housing or U.S. Bank – HFA Division may also, at their discretion, extend the aforementioned timeframes.

9.03 Signature Requirements

Minnesota Housing accepts electronic signatures (eSignatures) on loan documents executed under the Start Up Program to the extent Lender complies with all applicable state and federal electronic signature laws, as well as any counterparty requirements (e.g. Fannie Mae, Federal Housing Administration, US Bank HFA Division). However, eSignatures are not acceptable on any document that needs to be recorded with the county. Under no circumstances may a borrower be required to use electronic signatures.

9.04 Records Retention

The Lender must retain any and all compliance documents (including compliance with Minnesota Housing program guidelines) as may be required by the Lender’s regulatory authority, the requirements of the underlying loan product, and the requirements of the insurer/guarantor, as appropriate.

Loan product and insurer/guarantor minimum or alternative documentation requirements do not relieve the Lender from the responsibility of acquiring and maintaining complete files, including any and all documents and materials as would customarily be required for servicing or loan audit.

Chapter 10 – Servicing

10.01 Servicing

Loans committed in connection with the Start Up Program are purchased by U.S. Bank—HFA Division. Minnesota Housing may, at its discretion, subject to any contractual provisions between Minnesota Housing and U.S. Bank – HFA Division, change the Master Servicer.

10.02 Lender Servicing Responsibilities

Notwithstanding anything to the contrary contained in the Participation Agreement, during the period from loan closing to U.S. Bank – HFA Division purchase, the Lender must collect and apply all loan payments for the Start Up Program Loan, the Monthly Payment Loan, and the Deferred Payment Loan Program, if applicable, made by the Borrower(s).  - Any principal repayments

 - The collection of any past due payments

10.03 Assumption/Due-On-Sale

- At the time of the assumption, intend to occupy the property as their Principal Residence within 60 days of closing

JULY 25, 2023

- Are not purchasing or acquiring the residence at an Acquisition Cost that exceeds the current Minnesota Housing limits (see Federal Purchase Price Limits – Assumption on [Minnesota Housing's website](#))

Unless the loan is assumed in accordance with the above provisions, the loan is due upon sale or transfer of title.

10.04 Hardship Policy

Minnesota Housing has in place a hardship policy for its Monthly Payment Loan and the Deferred Payment Loan Program that allows forgiveness either in part or whole if the Borrower is experiencing severe financial hardships that prevent them from paying back the full indebtedness.
